New Camp in Mountains,

The new permanent camp of the Green Mountain club situated near the foot of "Hell Hollow" in Woodford is now practically completed and on next Monday, the 16th, the club will hold a "Camp Warming" and hike to dedicate the structure which promises to be a popular rendezvous for the members and travelers on the long trail.

The camp site is ideal in every re-

Although the camp cannot be seen from the road and is only 200 yards from the terminus of th highway, a heautiful view can be tained from its spacious veranda.
